**THIS DIRECTIVE SHALL SERVE AS THE COMMISSION'S ORDER ON THIS ISSUE.**

**SUBJECT:**

[DOCKET NO. 2018-28-W](#) - Application of JACABB Utilities, LLC for Approval of an Expansion of Its Existing Water Service Area to Include Certain Portions of Pickens County and Request for Approval of the Water System Asset Purchase Agreement with Crawford Falls Owners Association, Incorporated - Staff Presents for Commission Consideration JACABB Utilities, LLC's Request for Approval of an Expansion of Its Existing Water Service Area to Include Certain Portions of Pickens County and Approval of the Water System Asset Purchase Agreement with Crawford Falls Owners Association, Incorporated.

**COMMISSION ACTION:**

Move that we approve the expansion of JACABB Utilities, LLC's existing water service area to include certain portions of Pickens County and that we approve the Water System Asset Purchase Agreement with Crawford Falls Owners Association, Inc.

There are several points on this to be noted. ORS does not object to this. JACABB is currently authorized to provide service in areas of Pickens County, so this is consistent with what they've been doing. JACABB requests that it be allowed to provide water service in the expanded service territory pursuant to rates and charges that were approved in Docket No. 2008-173-W. The City of Clemson will provide water via a master meter to the Crawford Falls Subdivision and will be responsible for the sewer and storm water service. JACABB will be responsible for calculating and collecting payment from individual customers for sewer service and storm water service provided by the City of Clemson. JACABB also requests that the sewer and storm water service charges be approved as pass-through charges with a monthly administration billing fee of \$4.50 to each homeowner or customer.
